Terms and Conditions

Consider the following terms and conditions before signing:

- **License Grant:** The Developer grants you a non-exclusive, non-transferable license to use the loan management web software for your freelance business operations, subject to the terms of this Agreement.
- **Restrictions:** You may not modify, adapt, translate, reverse engineer, decompile, or disassemble the software. You may not distribute, sell, sublicense, or lease the software to any third party without the prior written consent of the Developer.
- **Ownership:** The software, including all intellectual property rights, remains the sole property of the Developer. This Agreement does not grant you any ownership rights or rights to use the Developer's trademarks or branding.
- **Data Security:** The Developer takes reasonable measures to ensure the security and confidentiality of your data. However, you acknowledge that the internet is not entirely secure, and the Developer cannot guarantee the absolute security of your data. It is your responsibility to maintain the confidentiality of your login credentials and protect against unauthorized access.
- **Support and Maintenance:** The Developer will provide technical support and bug fixes for the loan management web software during the specified support period. Any additional enhancements or customization may be subject to separate agreements and fees.
- **Payment:** The use of the loan management web software is subject to the payment of applicable fees as agreed upon between you and the Developer. Failure to make timely payments may result in suspension or termination of access to the software.
- **Disclaimer of Warranty:** The loan management web software is provided "as is" without any warranties, express or implied. The Developer does not guarantee the accuracy, reliability, or suitability of the software for your specific purposes. You assume all risks associated with the use of the software.
- **Limitation of Liability:** The Developer shall not be liable for any indirect, incidental, special, or consequential damages arising out of or in connection with using the loan management web software. The total liability of the Developer shall not exceed the amount paid by you for the software.

- **Termination:** This Agreement may be terminated by either party upon written notice. Upon termination, you must cease using the loan management web software and return or destroy all copies of the software in your possession.

Please read and understand these terms and conditions before using the loan management web software. By using the software, you acknowledge and agree to be bound by this Agreement. If you do not agree with these terms, you should not proceed with using the software.
